The Board's Rules of Practice are the hearing procedures applicable to the various tax and fee programs administered by the Board. The rules also include the procedures and standards for the Board's consideration of reimbursement claims under provisions of the Taxpayers' Bill of Rights. The original Rules of Practice were effective January 1, 1996. The Board periodically reviews and amends the Rules of Practice in order to revise procedures, or to accurately reflect existing procedures, followed at the Board. The Rules of Practice were previously amended in 1998, 1999, and 2001. The proposals for these current amendments were received from Board Members, board staff, and interested parties. A description of the specific proposed amendments is available in the initial statement of reasons.
